

# Call Committee Update To the Parish

Since the official blessing from Bishop Mathes on All Saints Sunday, the Call Committee has been busy. We have met with Canon Suzann Holding for our formation meeting and helped put together a profile of All Saints. Our church profile is active beginning December 1<sup>st</sup>, meaning that interested clergy can begin applying to become our new rector. We will be receiving the names of potential new rectors from the diocese, other clergy, networking groups/religious societies, and parishioners. If you are aware of a clergy member who may be interested in becoming the next rector of All Saints, please forward the contact information to the Call Committee Chair, Adriane Leader, through the parish office. Any interested clergy will be contacted and referred to the diocese to officially submit an application. Thank you for your support and please keep the Call Committee in your prayers!
